Dear Blanche

We are having a good time so far, we have a nice room now that we got the fan which was in Mary Jo's room, right now we do not need a fan instead we could use a blanket for it is cool.

Last night Evelyn and I dated the sailors and we went upon the Deck, a guy dated "Chick" he took her to dinner (she was glad for she is saving her money) then to Kuster Field to some club there she saw the whole crowd we know, which is taking all three of us to the club Wednesday night, the only girls at the club are Wac's so we should have a grand week, a guy said she did last night.

To day we laid in the sun a while visited Mary Jo + Lillian then Eron and Cecelia, out of the three rooms we have the best thank goodness, to night Evelyn & I went to the Picture show to see "The 7 Lame of the Barbary Coast" a guy had Solcy of course.

How is your son and you getting along, ~~we have~~ we have a lot to look forward too.

- 2 -

I am having trouble with Powe's camera it is on no. 6 and will not turn any further, if we go to town tomorrow I am going to see if someone can repair it for me.

We went by Lucille's after church and got Mrs Cox's figs, Soly will get them to you before this letter reaches you.

Our room is on the third floor and the Dick is on the 5<sup>th</sup>, both are on the same side so we can hear the music real good, right now they are playing "Dream".

A guest was sick when we first got here but is O.K. now.

I doubt if Mother could read the letter I wrote her, they made me hurry up and I had just got up and you know how I am when I get up in the morning, but I know she would want to hear from us.

Tell Mother Mary Jo will bring all my mail to me if I get any after Thursday, she said just give it to ~~Chad~~ Chad & call her & she will pick it up for us. Every one is in bed but me so must close  
Love Sue

Dear Blanche Cecilia,

How is everything hope you are feeling good  
by now.

We have not had a fuss yet and Agnes's  
bed is better than ours so there is no trouble there.

I am sitting in front of the fan (we took from  
Mary Joe room when she left) and drying my hair, it had  
so much sand in it that I just had to wash it.

We are waiting for our telephone to ring, a boy  
from Kessler Field named Mack wants to take us for a  
ride of course he is going to bring two other boys with him,  
we do not go out unless there are three boys.

We are really getting the rest if we are not  
sleep we are reading which Agnes does not like.

Solly brought a box of Candy from New Orleans  
and it sure was good, I paid for it of course.

Say is there anything you want I may be able  
to get it for you or your son. Write me if you feel like it.

Love  
Bill

P.S. Say Hello to Chico for me.
