Remarks/Notes

1. This survey/diagram is not to scale. It is to be used for purposes relating to location and identity of interments in the designated lot, as well as determining the usable space(s) in the lot. This lot has been visually inspected, measured and probed, etc. Spaces shown as open on diagram are usable for standard interment as of the date of this survey.
2. Visual observation of the ground conditions and underground probing were not possible because of paving.
3. Health Dept records show the following burials in this lot [grave locations unknown]: Turner, J. Elizabeth [Died Nov. 12, 1912], Gleason, Rebecca [Died Sep. 7, 1906, age 84, born NC], James, Mary I. [Died May 10, 1862, age 19], Martin, Georgetta [Died May 8, 1880, age 34].
4. The discrepancy among the names of the purchasers and the burials cannot be explained with available data.
